Write a Story Badge

Write the title and author's name (that's you) on the front cover of this booklet.

On the inside there are pages with lines and blank pages. Use the lines to write your story and, if you want to, use the blank pages to illustrate (draw pictures of) your story.

If you don't want to draw pictures, you can use the blank pages to write more of your story.

You are getting a badge for this, so we have to have some rules.

1. **Write any story you want to. If you can think of one that goes along with the Summer Learning theme of Fairytales, Fantasy, and Mythology that would be great.**
2. **Length of story. You can write as much as you like (add paper if you need to) but to get the badge you must write at least this much:**
   - **A. Preschoolers = 1/2 page**
   - **B. PreK—2nd grade = 1 page**
   - **C. 3rd—4th grade = 1 1/2 pages**
   - **D. 5th-6th grade = 2 pages**
   - **E. 7th grade & up = 2 1/2 pages**
