

City Council Agendas, Packets, and Minutes Have Moved

Beginning with the November 19, 2019 City Council meeting, agendas, packets, and minutes for City Council meetings will be available on the City's CivicClerk Portal at mineralwellstx.civicclerk.com.

City Council agendas and minutes will no longer be posted in the Agenda Center for subsequent meetings. The Agenda Center will still hold all City Council meeting agendas and minutes for meetings prior to November 19, 2019.

If you are signed up for notifications from the Agenda Center you will need to subscribe to notifications from CivicClerk.
