

A UNIVERSE OF STORIES

Children's Summer Reading Programs Boyce Ditto Public Library

June 7 @ 10:30 am - Wildlife on the Move <http://www.wildlifeonthemove.com/>

Our critters are animal ambassadors (tarantula, cockroach, tortoise, lizard, opossum or hedgehog, and non-venomous snakes) for their wild cousins that inhabit countries and continents from all over the world!

Sponsored by: Dr. Anantha Bhandari, MD

June 14 @ 10:30 am - Mad Science - Moon Odyssey

<https://dfw.madscience.org/>

Courtesy of NASA, Mad Science has engineered a program where kids of all ages will size up the universe, discover and explore space, and become Mad Science Astronauts to find out the best ways to stay safe in the vastness of our universe.

June 28 @ 10:30 am - Nigel Reads a Lot

Join Nigel Reads a Lot for fun and music!

Sponsored by:

July 5 @ 10:30 am - Eclipse Shirt Craft

Bring a black t-shirt and join in on the fun while we make our very own Eclipse Shirts!

July 12 @ 10:30 am - A Play on Swords

<http://www.aplayonswords.com/duellists.html>

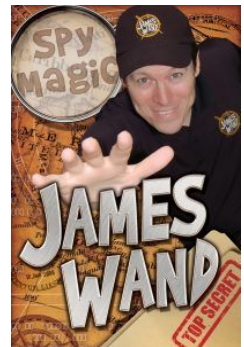

Armed stage combat - particularly swordplay. From the elegant dance of rapier and dagger to the hacking at one another with broadswords. An exhibition of swordplay, using various weapons and styles of fighting, as two duellists engage in an affair of honor - a duel to the end!

July 19 @ 10:30 - James Wand in the Secret Agent Magic Show!

<https://jameswand.org/library/>

Your mission (should you choose to accept it) is to join James Wand on an exciting and hilarious adventure of magic and mystery. Help James Wand solve clues and secret codes. Prepare to be amazed by the most incredible magic you will ever see! James Wand has appeared on ABC, NBC, and Fox News. He has performed at the White House

THREE times!

July 26 @ 10:30 am - Kid's Wilderness Survival

Learn how to stay safe in the outdoors and what to do if you become lost.

August 2 @ 1:00 pm - Mr. Will - End of Summer Prizes and Party

<http://www.mrwillmusic.com/>

"Mr. Will" Dupuy taps into the developmental and interactive aspects of fun songs while capturing the rambunctious spirit of his live concerts. His sing-along style incorporates equal parts of teaching and performing for energetic young audiences.
