

**How to make:**

1. Cut around the outside edge of the square
2. Fold the square in half both ways. This will form a center point
3. Place the colorful side down and fold the four corners into the center.
4. Flip the square over and fold all four corners so that each point touches the center.
5. Fold the square in half.
6. Insert forefingers and thumbs into the square flaps, pinch together to form the "fortune teller" shape.

**How to play:**

1. Have someone pose a yes or no question.
2. Ask them to choose a color.
3. Spell out the color, with each letter you should open the fortune teller the opposite way.
4. Ask them to choose a number that is visible. Count out loud that many numbers starting with 1 and moving the fortune teller with each number.
5. Ask them to choose a number that is visible.
6. Lift the flap and read the answer under that number.
