

Notice to Water Customers

Due to continued drought conditions, Stage II of the City of Mineral Wells Drought Contingency Plan is hereby amended to allow outside residential use of water only on a once per week basis effective Monday, July 6, 2009. The schedule by which such outside watering is allowed is based upon the last digit in the physical address of each residence or business as follows:

Last digit of address	Day of the week
0 & 8	Monday
1 & 9	Tuesday
2 & 6	Wednesday
3 & 7	Thursday
4 & 5	Friday

No outside residential water use shall be allowed on weekends.

Please be advised that violations may result in a fine up to \$500 per occurrence and/or discontinuation of water service. This action is being taken in order to insure that an adequate supply of water is available for the City of Mineral Wells and its water customers through current drought conditions. If you should have any questions concerning this matter, please call the City of Mineral Wells Public Works Department at 940-328-7777.
