August 29th – November 14<sup>th</sup>  
Tuesday nights, 6:30-9:00 PM

Announcing the 2023 Mineral Wells Emergency Services Citizens Academy.

- Do you wonder what your local police and firemen do each day in our city?
- Do you wonder how to fight a fire or extricate accident victims?
- Do you think you could make a traffic stop, an arrest, or investigate a crime?
- Have wondered why an officer didn't arrest someone? Or why they did?
- Do you know what happens after the police or firemen leave?
- Do you think the law protects suspects more than it protects victims?
- Do you think you could do better?

Come and find out! We are accepting applications for the 2023 Emergency Services Citizen's Academy (ESCA), a series of classes hosted by the Mineral Wells Police and Fire Departments. This 13-week course will be held Tuesday nights from 6:30 PM to 9 PM. Topics will include:

Participants will ride-out with patrol officers and EMS providers, tour the city jail, perform mock traffic stops, and drive a police car on a test track.

Why do we hold these classes? We want to educate our citizens to gain their support. We want the community to understand how police and fire departments operate, why they operate the way they do, and how public expectations and the legal system shape police and fire responses. We believe open communication and frank discussions will benefit the entire community.

The class is limited to 25 students who are at least 18 years of age. A criminal history check will be conducted on each applicant and only instructors will be allowed to carry weapons. Participants are required to attend at least eleven of the 13 sessions to graduate. All are expected to dress and conduct themselves in a professional manner at all times.

Applications may be picked up from the police department or downloaded from the city's web site ([www.mineralwellstx.gov](http://www.mineralwellstx.gov)). Written applications are due by August 25<sup>th</sup> for consideration or, if emailed, by August 28<sup>th</sup>. Accepted applicants will be notified by phone or email no later than Monday, August 28<sup>th</sup>. For further information or if you have questions about qualifications, contact Sgt.
